To Love Again

Daryl Ong

Ohhhhhhhh
The Radio's fine
It helps me forget for awhile
hooo.... I look back and recall
Those days I had with you
Sometimes I need a friend
Just to make it through
Another day spent without you...You gave me all the reasons to live
Then you had to go
And I just got to let you know
Its hard to love again
Just to make it through
Another day spent without you...Chorus:
And I don't wanna go on pretending
That its gonna be a happy ending
If I should love again
Once I've learned to love again
And, no, it will never be the same
Without you baby
This pain inside me is driving me crazy
'Cause, its hard to love again...Friends are great
They cheer me up for sometime (only for sometime)
When the day is done
My mind is back again with you
Oh God, I need a friend
Just to make it through
Another day spent without you...And I don't wanna go on pretending
That its gonna be a happy ending
If I should love again
Once I've learned to love again
Ohhhhhhh....
And, no, it will never be the same
Without you baby
This pain inside me is driving me crazy
'Cause, its hard to love again...Ohhhhhhh....
And, no, it will never be the same
Without you baby
This pain inside me is driving me crazy

'Cause, its hard to love again...
