Shut The Fuck Up

Nightwork

[Incomprehensible]Fuck
I can see you smile on my TV
A spewing bile necessary
Dementia of your deception
"I don't wanna be the tolerant"
"I don't wanna be the consequence"
"I don't wanna be the president"
Doesn't really matter what I say
Nobody listens to us anyway
Doesn't really matter what I do
I'm so sick of you
Shut the fuck up
A pathetic talkin' head
You, product of our walking dead
You, war machined evangelistic mission
"I don't wanna be the tolerant"
"I don't wanna be the consequence"
"I don't wanna be the president"
Doesn't really matter what I say
Nobody listens to us anyway
Doesn't really matter what I do
I'm so sick of you
Shut the fuck up, shut the fuck up
Doesn't really matter what I say
Nobody listens to us anyway
Doesn't really matter what I do
Doesn't really matter what I say
Doesn't really matter what I do
I'm so sick of, I'm so sick of
I'm so sick of you
Shut the fuck up
