

Cairo

Di Donna

Call me jenny baby when you want me
Call me jenny jenny when I cry
With me big black empty handbag
You give me little lollie when we hungry
Give me Coca-Cola when we dry
In the good times and the bad times

That's right

(chorus)

Spending all me jarre

Smoking all the time

In Cairo

Making all the junk for the big man

In Cairo

Spending all me jarre

Smoking all the time

In Cairo

Doing all I can for the big man

Cairo

Under heavy menace in the day time

Under heavy hoola in the night

With me milkshake and no handshake

Singing in the morning like a tourist

Working for me money all the time

For the big wheel and the high heel

That's right

(chorus)

(verse 1)

(chorus x 2)

Cairo...

(chorus)
