

# A House Is Not a Home

Luther Vandross

A chair is still a chair  
Even when there's no one sittin' there  
But a chair is not a house  
And a house is not a home  
When there's no one there to hold you tight  
And no one there you can kiss goodnight  
Woah girl A room is a still a room  
Even when there's nothin' there but gloom  
But a room is not a house  
And a house is not a home  
When the two of us are far apart  
And one of us has a broken heart Now and then I call your name  
And suddenly your face appears  
But it's just a crazy game  
When it ends, it ends in tears Pretty little darling, have a heart  
Don't let one mistake keep us apart  
I'm not meant to live alone  
Turn this house into a home  
When I climb the stairs and turn the key  
Oh, please be there  
Sayin' that you're still in love with me, yeah I'm not meant to live alone  
Turn this house into a home  
I climb the stairs and turn the key  
Oh, please be there, still in love  
I said, still in love, still in love with me, yeah Are you gonna be in love with me?  
I want you and need you to be, yeah  
Still in love with me  
Say you're gonna be in love with me  
It's drivin' me crazy to think  
That my baby couldn't be still in love with me Are you gonna be? Say you're gonna be  
Are you gonna be? Say you're gonna be  
Are you gonna be? Say you're gonna be  
Well well, well well Still in love, so in love, still in love with me  
Are you gonna be?  
Say that you're gonna be  
Still in love with me, yeah With me, oh  
Still in love with me, yeah
