

Every Day Is Exactly The Same (Sam Fog, Carlos D)

Nine Inch Nails

I believe I can see the future
'Cause I repeat the same routine
I think I used to have a purpose
But then again, that might have been a dream I think I used to have a voice
Now I never make a sound
I just do what I've been told
I really don't want them to come around, oh no Every day is exactly the same
Every day is exactly the same
There is no love here and there is no pain
Every day is exactly the same I can feel their eyes are watching
In case I lose myself again
Sometimes I think I'm happy here
(Sometimes)
Sometimes, yet I still pretend I can't remember how this got started
Oh, but I can tell you exactly how it will end Every day is exactly the same
Every day is exactly the same
There is no love here and there is no pain
Every day is exactly the same I'll write it on a little piece of paper
I'm hoping, someday, you might find
Well I'll hide it behind something
They won't look behind I am still inside her
A little bit comes bleeding through
I wish this could've been any other way
But I just don't know, I don't know what else I can do Every day is exactly the same
Every day is exactly the same
There is no love here and there is no pain
Every day is exactly the same Every day is exactly the same
Every day is exactly the same
There is no love here and there is no pain
Every day is exactly the same
(Every day is the same!)
