

# And Dream Of Sheep

[Kate Bush](#)

Little light shining  
Little light will guide them to me  
My face is all lit up  
My face is all lit up  
If they find me racing white horses  
They'll not take me for a buoy  
Let me be weak, let me sleep  
And dream of sheep  
Oh, I'll wake up to any sound of engines  
Every gull a seeking craft  
I can't keep my eyes open  
Wish I had my radio

I tune in to some friendly voices  
Talking 'bout stupid things  
I can't be left to my imagination  
Let me be weak, let me sleep  
And dream of sheep  
Ooh, their breath is warm  
And they smell like sleep  
And they say they take me home  
Like poppies heavy with seed  
They take me deeper and deeper
