

# Don't Lean on Me

## The Amity Affliction

Let the ocean take me  
You've gotta know kid that it ain't easy  
To take on all of your grieving  
Yeah you gotta believe me Well don't lean on me 'cause I am falling  
Please don't fall with me  
I really need you here  
Yeah I need you so don't leave And don't count on me 'cause I am drowning  
Please don't drown with me  
Just hold me in your heart  
Let the ocean take me  
Let the ocean take me And you think I don't read every message that you send?  
You think I turn a blind eye  
You think I'm just like them?  
It breaks my heart, all these stories  
Brings me to tears all this grief  
And I feel so fucking helpless  
When I can't be your relief Well don't lean on me 'cause  
I am falling, please don't fall with me  
I really need you here  
Yeah I need you so don't leave  
And don't count on me 'cause  
I am drowning, please don't drown with me  
Just hold me in your heart  
Let the ocean take me There is hope in my eyes  
There is hope in these words  
And there are far too many reasons  
For you to stay here on this earth  
Stay with me Well don't lean on me 'cause  
I am falling, please don't fall with me  
I really need you here, yeah  
I need you so don't leave  
And don't count on me 'cause  
I am drowning,  
Please don't drown with me Just hold me in your heart  
Let the ocean take me  
Let the ocean take me  
Let the ocean take me
