You Don't Know

Eminem

Shady!
Yeah
Who run it?
You know, you actin' like you don't know
We run it
You know but you actin' like you don't know
Who run it?
You know, you actin' like you don't know
We run it
You know but you actin' like you don't know
You know, you actin' like you don't know
I tear the club up fo' sho'
This flow is gon' bring more dough
And you know but you actin' like you don't know
Now homie I say I run it, run it 'cause I'm in control
Hypnotiq, Hennessey, a couple shots of Patron
I have you feelin' aight, I get you **** as a kite
Party poppin' shawty says she comin' with me tonight
I ain't shoulder leanin', I ain't snappin' and poppin'
Either I'm bobbin' ma head or I'm just standin' there watchin'
I'm a hustler I hustle, you can tell that I'm paid
And I protect what I got, I'm in the house with my *****
Homie you front you gon' get it, okay now maybe I civic
'Cause I want you to trip it, yeah, I be on that sh**-t
You should see when I'm stuntin', I flash the stones they be wantin'
**** see me rollin', you can tell that I'm holdin'
I'm just doin' ma thang, you know the Units the game
I got my grimy Shady with me you front you'll have to get me
Off your ***, I pay the lawsuit and laugh
It's not a big deal it's nothing but some cash, let's go
Who run it?
You know, you actin' like you don't know
I tear the club up fo' sho'
This flow is gon' bring more dough
And you know but you actin like you don't know
Who run it?
You know, you actin' like you don't know
I tear the club up fo' sho'
This flow is gon' bring more dough

And you know but you actin' like you don't know
When me and Fif 'got together to do this music
The more we became enveloped
We just developed a fellowship through it
It's no pretend ****, it's friendship, mi nemesis is su nemesis
Ain't for him, it's just media, see to them it's just images
But this **** is no gimmicks, this is blood in and blood out
When there's beef you jus' gotta know when to butt in and butt out
If there's a problem we solve it, if we don't resolve it
It usually just evolves into one big brawl and we all get involved in it
We should all get a merit, this much beef we inherit
And wear it like a badge of honor, pass it around and share it
And let it go to whoever's holdin' the most current people
On their shoulders and their soldiers got their backs 'til it's over
But tonight, we ain't comin' here to beef with nobody
We came to party, Banks, Cashis and Mr. Ferrari
So it's Shady Aftermizat, backin' that ***, you ********
Come hizzon, what kinda ******* quizition is that?
Who run it?
You know, you actin' like you don't know
I tear the club up fo' sho'
This flow is gon' bring more dough
And you know but you actin' like you don't know
Who run it?
I say you know, you actin' like you don't know
I tear the club up fo' sho'
This flow is gon' bring more dough
And you know but you actin' like you don't know
****** **** ricochet, Cashis wick-a-way
Slumped over, they gon? say, similar to J.F.K
O.C. come and test my way
I'ma ride to the death, do you rep that way?
Forever I'ma be a Shady 7-4 gangsta
Homie I?ll survive everything you got in that ch*****
I thrive off of danger, jumpin' in all beef
You keep talking sh** now the squad called me
Enough holdin' back the steam, Em' let off a magazine
Dappadon Cappa queen mixed in with Cashis creams
Started off with half a dream, developed into what you see
Telling ain't my cup of tea, can't tell I'm a f****** G?
I'm on automatic when I'm at it, start static
And you splattered, shattered, I'm a walkin' chick magnet
Spit it how I live it, live it all the way to the limit
And I'm always on my pivot for my digits, you dig it?
Who run it?

You know, you actin' like you don't know
I tear the club up fo' sho'
This flow is gon' bring more dough
And you know but you actin' like you don't know
Who run it?
You know, you actin' like you don't know
I tear the club up fo' sho'
This flow is gon' bring more dough
And you know but you actin' like you don't know
Who run it?
You know who this is
Shady, G-Unit, Aftermath
Lloyd Bands, Cashis
Marshall Mathers, Ferrari F-50
It's a movement, you can't stop it
