

Juggernaut

Oliver Heldens

I have suffered
For your sins
But now is when
My fun begins If I hit you
Turn your cheek
You are righteous
But you are weak Orgy-Porgy, Ford and fun
Kiss the girls and make them one
Boys at one with girls at peace
Orgy-Porgy gives release American dream
Turns to dust
So give us a God
That does not rust Points of light
Quickly fade
You are food
But you are saved Juggernaut This is it
We've reached the border
This is it
The New World Order If I die
Before I wake
I pray The Order
My soul to take Orgy-Porgy, Ford and fun
Kiss the girls and make them one
Boys at one with girls at peace
Orgy-Porgy gives release
