

# Do the Tightbelt

## Blue Meanies

performing holdups is the key to financial security convenient stores fotomats atms wear a mask block out  
surveylance don't load your gun wear a scowl it's all good fun clip the phonelines lock the doors take no  
prisoners successful scores come on do the tigtbelt let's do the tightbelt she the tightbelt he the tightbelt  
everybody tightbelt desperation is the plea judicial systems will agree good stories told are bought and sold  
empathize with misfortunes souls do what you can to feed your clan keepp 'em warm it's mouth from hand take  
from the rich not the poor take what you need not anymore sing a song of hope and salvation we'll survive sing  
a song of hope and salvation we're alive performing holdups is the key to financial security
