

# Walking on Sunshine

Eddy Grant

Do it, oh do it

Oh, do it, do it

Oh, do it Looking through the morning dew

At smoky mountains, nothing new

Lead me to the mountain tower

And we'll work until it's time to stop Oh baby, you're mine, you're mine you're walking on sunshine

And I got to tell you that you doing fine walking on sunshine, oh

And I got to tell you that you're doing fine walking on sunshine

Yeah, oh baby, oh baby, oh baby, oh darling Oh, living isn't everything

But you know the feeling love can bring

I said, "When you're floating through your cloud"

Baby don't you shout too loud, oh darlin' Oh said girl, "You're mine, you're mine you're walking on sunshine"

And I got to tell you that you doing fine walking on sunshine, oh

I got to tell you that you're doing fine walking on sunshine

Oh oh, darling "You're mine, you're mine you're walking on sunshine"

And I got to tell you that you doing fine walking on sunshine

Oh, I got to tell you that you're doing fine walking on sunshine That's right, get there, everybody do this

That's right, get there, everybody do this

That's right, get there, everybody do this

That's right, get there, everybody do this I'm walking on sun shine

I'm walking on sun shine

I'm walking on sun shine
