

# Maybe Tonight

## The Summer Set

It's almost midnight, feeling alright.  
Raise your glass when times are tough.  
We ain't got much, but we still got us.  
We're alive and that's enough. There's something in the air  
So maybe tonight we'll start all over.  
Like it's the first day of our lives.  
Right here and now, no second chances.  
Maybe we'll finally get it right.  
Maybe tonight. maybe tonight. Take this moment. ours to own it.  
All our friends ride by your side.  
Maybe someday we'll be somebody.  
Maybe someday starts tonight. There's something in the air  
So maybe tonight we'll start all over.  
Like it's the first day of our lives.  
Right here and now, no second chances.  
Maybe we'll finally get it right.  
Maybe tonight. maybe tonight.  
Maybe tonight. maybe tonight. Na na. na na na na. na na na na, na na na. na na  
If you need somebody  
Na na na na  
I'll never let you go  
Na na na na  
And it feels so right  
Na na na So maybe tonight we'll start all over  
Like it's the first day of our lives  
Right here and now, second chances  
Maybe we'll finally get it right  
Maybe tonight. maybe tonight  
Maybe tonight. maybe tonight It's almost midnight. feeling alright  
Raise your glass when times are tough
