

# What U Doin? (Edited Version)

## Big Sean

OK I say that shit again, I said it once before  
I just, I just, I just, I just want it all  
I glisten and shine with miss fine model chick,  
Big behind, bad enough to skip the line  
But to me she just a nine I hop up out that double o you can call me Mr Bond  
Bitch I am a monster I belong on district 9  
Catch me in my office, office, doin' business  
What the fuck you doin' bullshittin'  
I get all the eyes when I step inside and They all arise when I am arrivin'  
Bring out the Rose, Nuvo, Ciroc and  
Bring out the OJ like Johnny Cochran  
I guess they on somthin' cause my neck look like horizon  
Just a million people behind me and I don't have Verizon Man I'm chillin' wit my niggas nigga  
And a couple cool bitches  
What the fuck you doin' bullshittin'  
Me and my niggas say it ain't Ton  
Hundred pretty girlie singin' our song Yea I kick my feet up you cant say that I ain't home  
And I be blowin' on that reefer u cant say that it ain't strong and  
She just, she just, she just, she just want a long dick  
I put it in her mouth and now that bitch look like a cone head  
When I'm done go ahead, what the fuck this is What the fuck you doin' bullshittin'  
I hear, I hear, I hear man but that shit just don't compare  
I tell you you the best, when I'm lookin' in the mirror  
By the time y'all over here, I'm probably over there  
And by the time u ridin' what I'm ridin' on I'm in the air No wonder why my mind is so cloudy, I'm drowsy  
My frequent flyer miles is in the thousands I'm outtie  
Somewhere chillin' in Maui swimmin' wit the scuba fishes  
What the fuck you doin' bullshittin'  
Nigga I be splurgin' I beg my pardon  
'Cause y'all niggas is starvin'  
Lookin' for a bargain  
Gone and roll that weed, yeah I think its time to spark it  
'Cause I be runnin' through them trees niggas call me Tarzan What u think? we wont stop, gonna stop?  
Silly hoe I'm livin' out my dreams don't you dare hit that alarm clock  
I'm laid up wit yo girlfriend u knockin' like what u doin' nigga  
What the fuck you doin' bullshittin' I hit you wit an AMC, my nigga that's a full clip  
And you could be like me if you just quit with all the bullshit
