Free To Love

LP

(Verse)
Oh say what you wanna say,
nothing's ever gonna change
Everybody's going away sometime
Boredom and monotony,
virtual lobotomy
Everybody's looking to save their minds,
but I
I don't wanna be part of mediocrity
Cause all I see is one big plague, and I
Only want the truth, hold it like the flame of youth
and don't let go oh(Pre-Chorus)
All I need is you
All I need is you(Chorus)
Hoooooah ohhoah the day has come, the day has come
Hoooooah ohhoah we're free to love, free to love
And I, I'm ready to ride
With you, you make me alive, alive(Verse)
Oh yeah, the walls are caving in
Would it be off to say we won't be home again?
Drowning in a sea of heartache and hypocrisy
I thought I'd be the one that unscathed
But I was wrong, oh oh oh oh, yeah, I was wrong(Pre-Chorus)
All I need is you
All I need is you(Chorus)
Hoooooah ohhoah the day has come, the day has come
Hoooooah ohhoah we're free to love, free to love
And I, I'm ready to ride
With you, you make me alive, alive(Interlude)
Hold me, and then I can't fall again, I can't fall again
Hold me, and then I can't fall again, I can't fall again(Chorus)
Hoooooah ohhoah the day has come, the day has come
Hoooooah ohhoah we're free to love, free to love
And I, I'm ready to ride
With you, you make me alive, alive
