Take My Heart

Corey Hart

Take me to the top again
Take me to the high road shining
'Cause you know I never seen the world like that
You take me to the top again

You take me where it's slow and easy
'Cause you know I never dream inside like that
I know, I know, I know, I know
I know, I know, I know, I know

Won't you take my heart
Don't leave me here standin'
Take my heart
Where only you can

Take my heart
There is no resistance
I can only go as far as you can
Yeah, through the leaves of grass I search

And I follow like a soldier
Where the battle rages on
Reveal what's true
And I call to open skies
And I call to high plains driftin'

Through the wintertime the earth shall feed my soul
I know, I know, I know, I know
I know, I know, I know, I know
Won't you take my heart

Don't leave me here standin'
Take my heart
Where only you can
Won't you take my heart

There is no resistance
I can only go as far as you can
Discover borderlands that we have yet to run

And you can search forever never reach the sun

And I can go on tryin'
And I can go on cryin'
Won't you take my heart
Don't leave me here standin'

Take my heart
Where only you can
Won't you take my heart
There is no resistance

I can only go as far, o I'm cryin'
Take my heart
Don't leave me here standin'
Take my heart

Where only you can
Take my heart, o I said
I can only go as far as you can-n
Take my heart

I said, take my heart
It's okay
It's all right now
Everything, everything in my heart.
