

# Daffodil Lament

## The Cranberries

Holding on that's what I do  
Since I met you  
And it won't be long, would you notice  
If I left you  
And it's fine for some  
'Cause you're not the one.  
All night long, I laid on my pillow  
These things are wrong  
I can't sleep here  
So lovely, so loving  
I have decided to leave you forever  
I have decide to start things from here  
Thunder and lightning won't change  
What I'm feeling  
And the daffodils look lovely today  
Oh in your eyes I can see the disguise  
Oh in your eyes I can see the dismay

Has anyone seen lightning  
Has anyone looked lovely  
And the daffodils looked lovely today  
Looked lovely
