

Haunted (Demo 2, 1991)

Grave

Season of the undead nears
lying waiting the rite
spiritual visions appear
to fulfill the prophecy These walls stained
by blood of immortality
haunted through centuries
by souls of morality Laid down to rest
in unholy ground
ancient creation man
supposed to never appear. These walls stained
by blood of immortality
haunted through centuries
by souls of morality Season of the undead nears
lying waiting the rite
spiritual visions appear
to fulfill the prophecy These walls stained
by blood of immortality
haunted through centuries
by souls of morality
