

So Oh (Fabien Leisure Instrumental Remix)

The Charlatans

Show me the diamonds
Show me the gold
Call me the answers oh yeah
Call me anywhere
I don't have a care
This is my world You're so pretty
We're so pretty Show me the silver
Show me the gold
You're taking my name, Angel
Don't dissappoint me
I see you smilin'
Tie up my elbows, No joke
Talkin' to the devil
Talkin' to the Lord
For one sweet touch
Talkin' me to heaven
Talkin' me to hell
For your sweet touch You're so pretty
We're so pretty
You're so pretty
Oh! so pretty Show me the money
Show me the money, baby You're so pretty
Oh! so pretty
You're so pretty
We're so pretty
All the hours, askin' questions
Couldn't fit in
Wastin' time
Keep comin' back, for a little more
I see you smilin', woo! Feed me to the lions
I'll throw you to the floor, for one sweet touch
Diamonds in the rain, will always be the same
Where there's a rainbow You're so pretty
We're so pretty
You're so pretty
Oh! so pretty Show me the money
Show me the money, baby
