They Call Us Death (Remastered)

Calabrese

In the dust there's a flame that burns
Pack of wolves watch the meat in turns
Because the pain that you alone will feel
Will never seem as real
As the night you went and diedWhere in the world has a fool like you to run
When the sun
Burns beyond the veil of days
She broke her vows
She lost her life
In the end they call us deathWhen the stars in the sky they bleed
All my life they have lied to me
The hearts of men possessed by sin
Revenge it pulls me in
When the devil calls me home
