4 Seasons

æ•¾ä¸‹å„ªä¹Ÿ

How will I stand the summer
When spring was such a bummer?
How will I weather my winter
When my fall such a ball buster?
It's spring and there'll be no spring fling
When my winter was what a winner
And I am taking a fall
'Cause if I ain't got you I got nothin' at all
An' how will I stand the summer
When spring just made me dumber?
How will I fare my fall?
Will I lose my mind in the wintertime?
It's spring and I'm a spring ding a ling
It's summer and I'm just a little dumber
And I am taking a fall
'Cause if I ain't got you I got nothin' at all
Through the four seasons
I'm searchin' for reasons
I'm not gonna take the spring
'Cause the spring don't mean a thing
An' I'm not gonna take the winter
My winter is a splinter
I'm not gonna take the summer
Summer is such a bummer
But I am taking a fall
'Cause if I ain't got you I got nothin' at all
Through the four seasons
I'm searchin' for reasons
Vivaldi four seasons
It seems to me

To be a theme of love
With no variations of aggravations
How will I stand the summer
When my spring was such a bummer?
How will I fare my fall?
Will I lose my mind in the wintertime?
Spring an' I'm a spring ding a ling
Summer an' I'm a [Incomprehensible]

I am taking a fall
'Cause if I ain't got you I got nothin' at all
Through the four seasons
I'm searchin' for reasons
Spring, summer, winter and fall
Spring, summer, winter and fall
Spring, summer, winter and fall
If I ain't got you I got nothing at all
Spring, summer, winter and fall
Spring, summer, winter and fall
Spring, summer, winter and fall
(Ain't got you)
Spring, summer, winter and fall
(And I ain't got you)
Spring, summer, winter and fall
(Ain't got you)
Spring, summer, winter and fall
(I got nothin', ooo nothin')
Spring, summer, winter and fall
Spring, summer, winter and fall
Spring, summer, winter and fall
...
