

Million Miles From Home (Amorphous Headz RMX)

Dune

I was sent to
outer space
To find another happy place
Now I'm left here all alone
Million miles away from home Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home Million miles away
Million miles away
Million miles away
Million miles away Million miles away
Million miles away
Million miles away
Million miles away I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home Million miles away
Million miles away
Million miles away
Million miles away Million miles away
Million miles away
Million miles away
Million miles away I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home I was sent to outer space
To find another happy place

Now I'm left here all alone
Million miles away from home Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home
