

Run Ragged

Red Sky Mary

Got the Bible in her hand
But it won't be there for to long
The pages burst into fire
And she don't see no wrong(CHORUS)
(Runnin') She's a runnin' me ragged
(Leadin') She's a leadin' me round
(Makin') She's a makin' me heavy
She keeps bringing me down
I gotta damn devil
Sleeping in my bed
I gotta get out of here
Get out while I still canTake what you want from me
Take what you want from meShe would nail me to the cross
With her words and accusations
Just to steal away my piece of mind
And leave me to damnationYeah, yeah yeah!(CHORUS 2)Take what you want from me
Take what you want from me
But I'm gonna sing my songTake what you want from me
But I'm gonna sing my song
Take what you want from me
But I'm gonna sing my song
Take what you want from me
But I'm gonna sing my song
Now judgment day has come
Oh yeah!(CHORUS 3)Take what you want from me
Take what you want from me
