Sea Sick

The Persevering Promise

I TRIED TO SAVE YOU BUT YOU (JUST PUSHED ME A) WAY!

WE, WE HAVE, A PROBLEM ON OUR HANDS
I, CANT SEEM, TO MEET ALL YOUR DEMANDS
Maybe someday weâ€™ll meet again
Maybe someday ill believe in you again
But as I step back and watch the sails drown
I feel my feet touch solid ground

Your lust is a hurricane, my heart is the sea
You pushed me and used me, destroyed everything
A journey lies ahead and I cannot pretend that all of this is true
So further ill trudge on through the aftermath of you

YOU, WERENT WORTH, A SECOND OF MY TIME
I, HAVE FOUND OUT, WHERE I BELONG!
YOU WERENT WORTH A SECOND OF MY TIME
I HAVE FOUND OUT WHERE I BELONG
You know I love you but youâ€™re not worth risking
Losing something Iâ€™ve given my life for
Maybe someday youâ€™ll see what I see
But look quickly cuz this ship is sinking
Maybe someday weâ€™ll meet again
Maybe someday Iâ€™ll believe in you again
But as I step back and watch the sails drown
I feel my feet touch solid ground

Your lust is a hurricane, my heart is the sea
You pushed me and used me, destroyed everything
A journey lies ahead and I cannot pretend that all of this is true
So further ill trudge on through the aftermath of you

(I BROUGH YOU) A ROSE TO show you I cared
(I THOUGHT I) COULD SAVE YOU but you were never truly there
(I GAVE YOU) MY LIFE AND you threw it all away
(ILL TAKE YOU) DOWN WITH ME! Your lifeâ€™s not worth a day
(I BROUGH YOU) A ROSE TO show you I cared
(I THOUGHT I) COULD SAVE YOU but you were never truly there
(I GAVE YOU) MY LIFE AND you threw it all away

(ILL TAKE YOU) DOWN WITH ME! Your lifeâ€™s not worth a day
