Lucky Man

Laura Mvula

Forgive me
I've been a long way from my mind and a happy home
My head is gone
Mercy
Carry my soul as one did many far places yonder
Then throw me far out, yeahAmazing, all the freedom we did ever demand
There's no promised land
Freedom; be proud, our loud and lonely crying veins
We lost again, we lost again
Oh, the wings of time will not define you
Whether or not you find
Looking for peace of mind
Oh, the wings of time will not define you
Whether or not you find
Looking for peace of mind
Oh, the wings of time will not define you
Whether or not you find
Looking for peace of mind
Nothing is impossible
Love is the only answer
And we find peace of mind
Nothing is impossible
Love is the only answer
And we find peace of mind
