I Wait

The Coathangers

I wait, I wait for us to meet
To meet again in my dreams
It's the only way it make me complete
Is meeting you in my dreams
It's real, it's real
It feels so real
It's real, it's real, it's real
I wait, I wait for us to meet
To meet again in my dreams
The only thing that helps me heal
Is meeting you in my dreams
It's real, it's real
It feels so real
It's real, it's real, it's real
