

# Mellow (1972 - Honky Chateau)

Elton John

Cool grass blowing up the pass  
Don't you know I'm feeling mellow  
Oh I love your Roman nose, the way you curl your toes baby  
Make me feel so mellow It's the same old feeling I get when you're stealing  
Back into my bed again  
With the curtains closed and the window froze  
By the rhythm of the rain Ooo you make me mellow, oh you make me mellow  
Rocking smooth and slow  
Mellow's the feeling that we get  
Watching the coal fire glow Oh you make me mellow, oh I make you mellow  
Wrecking the sheets real fine  
Heaven knows what you sent me Lord  
But God this is a mellow time Going down to the stores in town  
Getting all the things we need  
Oh don't forget the beer, oh my little dear  
It helps to sow the mellow seed And it can't be bad, all the love I've had  
Coursing through my life  
Oh down in the pass, where the wind blows fast  
And mellow, mellow's feeling right Oh I make you mellow, oh you make me mellow  
Rocking smooth and slow  
Mellow's the feeling that we get  
Watching the coal fire glow Oh you make me mellow, oh I make you mellow  
Wrecking the sheets real fine  
Heaven knows what you sent me Lord  
But God this is a mellow time Oh I make you mellow, oh you make me mellow  
Rocking smooth and slow  
Mellow's the feeling that we get  
Watching the coal fire glow Oh you make me mellow, oh I make you mellow  
Wrecking the sheets real fine  
Heaven knows what you sent me Lord  
But God this is a mellow time Oh you make me mellow, oh I make you mellow  
Rocking the sheets real fine  
Heaven knows what you sent me Lord  
But God this is a mellow time Oh ah ah, oh ah ah  
Wrecking the sheets real fine  
Heaven knows what you sent me Lord  
But God this is a mellow time
