Waiting

E.G. Daily

Drifting through eternal systems,
Language spoken, no one listens,
If I was a book you could read my mind,
Hazing pace, I'm just wasting timeSitting on ice while the clock is watching losing face,
Dreaming of a better space in time,
I'm about to use my feelings,
I'm about to use my feelingsStaring in the face of boredom,
Waiting is the price of freedom,
If I was a book you could read my mind,
Hazing pace, I'm just wasting timeSitting on ice while the clock is watching losing face,
Dreaming of a better space in time,
I'm about to use my feelings,
I'm about to use my feelingsWaiting, if I can't get out I'll lose my reasons,
Waiting, ooh, ooh,
Waiting, someone better have an answer for me,
Wait...Drifting through eternal systems,
Language spoken, no one listens,
If I was a book you could read my mind,
Hazing pace, I'm just wasting timeSitting on ice while the clock is watching losing face,
Dreaming of a better space in time,
I'm about to use my feelings,
I'm about to use my feelingsWaiting, if I can't get out I'll lose my reasons,
Waiting, ooh, ooh,
Waiting, someone better have an answer for me,
Wait...
OohWaiting, if I can't get out I'll lose my reasons,
Waiting, ooh, ooh,
Waiting, someone better have an answer for me,
I said wait...Waiting, ooh, ooh,
Waiting, ooh, ooh,
Waiting...
