

Give Em Some Mo

Chingy

It's your boy Chingy
Representin' the king
G.I.B. git it boys
Stop hatin' derry

And maybe you can get some in your life playa
Niggaz act like they got paper but no
Git it boy niggaz runnin' the show
If you wit' it get your ass on the floor
But then right before I finish
They say give me some mo'
4 point 6, dodge in the dits
Trunk full of brick, enough to build a house
To give cats a fix, grand barry six
I gave it to my bitch, but that's how it goes
When a playa rich
On the mound I pitch
Call me Mr. Quick
In a fast lick
Whips, flyin' past grams
Derry I'm the man
That ya don't understand
Back in hand, if the club wit' me
Pop a bottle wit' me
Niggaz got a problem
Tell 'em come get me the git it boys hurr
And you know we from that 314
Niggaz act like they got paper but no
Git it boy niggaz runnin' the show
If you wit' it get your ass on the floor
But then right before I finish
They say give me some mo'
See some cats don't understand
How I got this and I got that
Derry I laid back
Handle my business
Don't bother nobody
Don't be hatin' and backstabin'
Unlike you fake ass
Niggaz do
Damn boy wounder
A C-3 Hummer
Got for the summer
You won't want my number
Don't need that skeka
More friends niether

Tramps want a dollar
Thats why I holla Young Donald trump
Back on this grizzle
Kick in it wit' banner
Down in Mississippi
Man I'm world wide
Carryin' a 4.5
Doin' this for life
Am I a pro, right 49 hundred
Biggest street reppers
Waters think they hot
'Bout as hot as peppers
Better in my basement
For you funky hoes
Chingy ain't gettin' it
Trick gon' buy some clothes Niggaz act like they got paper but no
Git it boy niggaz runnin' the show
If you wit' it get your ass on the floor
But then right before I finish
They say give me some mo'Haha
Here I come man and ya probely sick of me
I'm in your face all the time when you be sittin' at home
Darling don't be wild to me
Darling come here hear me on the radio
But daddy looked her
G.I.B Screw bill gates
Chain and face
Name in place
In case of angry face
Bing in the scoop
Scale with the doop
A bell with a coke
Therd by the loab Off in my loaf
Y'all rappers think ya'll hard
I know ya'll soft
It's Chingy
Ya'll hoes act for me
So I'm gone give it to 'em
Like Ron Jeromey
Mo Clarony Don't slide up
Big cowerd behind me
In da rolls ride up
The sides so rough
It's St. Louis
Fussed up grades

I'm 'bout to run for
The ciminal of stateNiggaz act like they got paper but no
Git it boy niggaz runnin' the show
If you wit it get your ass on the floor
But then right before I finish
They say give me some mo'
