Way Back When

Grizfolk

There's alway time for living,
Can we just do it again.
One more time like it once was...Way Back When.
You gave me something to believe in,
We were the best of friends.
Well I remember the good times...Way Back When.(La, la, la, la, la, la, la, la, la)
Memories will fade if you wanted me to let you go,
I've got you on your way, i feel it for you don't you know.We're superheroes and villains,
When we used to pretend.
We go wherever our minds will take us...Way Back When.(La, la, la, la, la, la, la, la, la)
Memories will fade if you wanted me to let you go,
I've got you on your way, i feel it for you don't you know.
It's a promise that I made, never be afraid.
I know we'll be okay, this luck we have it cannot go.Ahhhh oo, Ahhhh oo
And you're on own,
Ahhhh oo, Ahhhh oo
Y'not alone,
Ahhhh oo, Ahhhh oo
I know i'll see you again, again.
Ahhhh oo, Ahhhh oo
And if all these things,
Ahhhh oo, Ahhhh oo
Come to an end,
Ahhhh oo, Ahhhh oo
We'll always have...A Way Back When.(La, la, la, la, la, la, la, la, la)
Memories will fade if you wanted me to let you go,
I've got you on your way, I'll be there for you don't you know.
It's a promise that I made, never be afraid.
I know we'll be okay, this luck we have it cannot go.
