

# Echo Beach

Gabriella Cilmi

I know it's out of fashion  
And a trifle uncool  
But I can't help it  
I'm a romantic fool  
It's a habit of mine  
To watch the sun go down  
On Echo Beach  
I watch the sun go down From nine to five I have to spend my time at work  
My job is very boring - I'm an office clerk  
The only think that helps me pass the time away  
Is knowing that I'll be back at Echo Beach some day On some enchanted evening  
The sky's alive with lights  
Our building in the distance is a surrealistic sight  
On Echo Beach waves make the only sound  
On Echo Beach there's not a soul around From nine to five I have to spend my time at work  
My job is very boring - I'm an office clerk  
The only think that helps me pass the time away  
Is knowing that I'll be back at Echo Beach some day
