

# Yeah Whatever

## Splender

And you're primitive  
And you're cynical to me  
And I chewed down on the bit  
And almost swallowed it  
You sit all alone with your color t.v  
Your hair starts to glisten in spite of the fleas  
We don't have to stay friends  
Let's pretend to be enemies Yeah, whatever makes you happy  
Yeah, whatever makes it beautiful  
Yeah, whatever leaves you satisfied  
Cause I'm out of time  
For now And you're paranoid  
As you look me up and down  
And I'm soaked in gasoline  
Mud and Ice cream  
You sit by the phone with your tongue hanging out  
You cradle the flies in the back of your mouth  
We don't have to stay friends  
Let's pretend to be enemies Yeah, whatever makes you happy  
Yeah, whatever makes it beautiful  
Yeah, whatever leaves you satisfied  
Cause I'm out of time  
For now Damned if you do  
Dead if you don't  
Damned if you do  
What if you won't?  
Damned if you do  
Dead if you don't  
Damned if you do  
Oh You must be aware what you're doin' to me?  
We sunk like a stone on a rock in the sea  
We don't have to stay friends  
(Not for very long)  
We don't have to stay friends  
(Just because you're gone) Yeah, whatever makes you happy  
Yeah, whatever makes it beautiful  
Yeah, whatever leaves you satisfied  
You get what you want cause you won't let it die Yeah, whatever makes you happy  
Yeah, whatever leaves you insecure

Yeah, whatever seems to break you down  
Cause I'm out of time  
I'm feelin' fine
