High in the Woods

Johan

[Verse 1]
Can you pick me up
In ya'Chevy truck
I still got some buds (yeah)
We'll go to da spot
By jumping rock In the cloak of dark (yeah)
It's ten p.m., this town is dead
It's Friday night inside my head
But it's Tuesday night for everybody else
I'm on the curb, my hood is up
It's gettin cold and you pull up ain't nothing new to do since we were twelve (yeaah)[Chorus]
Let's go get high in the woods
Let's go get high in the woods
Let's go get high in the woods
And let our secrets out (yeahh)[Verse 2]
The hill is a mess
Cans on the ground
Now the broken crown
It's one a.m. this town is dead
It's Friday night inside my
But it's Tuesday night for everybody else
Now Johnny's back from marching band dropped his tuba at home brought another gram
Climbed up the hill to save us from ourselves[Chorus]
Let's go get high in the woods
Let's go get high in the woods
Let's go get high in the woods
And let our secrets out (yeahh)[Bridge]
Let's go get high in the woods, yeah
Let's go get high in the woods, wooo
Let's go get high in the woods
And let our secrets out yeaaaahhh ooo[Chorus]
Let's go get high in the woods
Let's go get high in the woods
Let's go get high in the woods
And let our secrets out (yeahh)
Let's go get high in the woods
Let's go get high in the woods
Let's go get high in the woods

And let our secrets out (yeahh)
