Savior

A Perfect Murder

Advisory - the following lyrics contain explicit language:

You're not my savior
And you never will be
You're not my savior
And you never will beBlame me, because
I never worshiped your lies
Chanting your hymns to a ghost
It will never save youYou're not my savior
And you never will be
You're not my savior
And you never will beCan you see that he's slowly
Pulling you in his wrath?
He's sucking the life from your heart
So you can't ever go backHaunted by your demons
You feel so alone
Haunted by your demons
You feel so aloneDon't you feel alone?
