## Annotations Of An Autopsy

She bled from every fucking hole

First step: rip out entrails  
From her bloody cunt,

Nothing but a piece of meat, nothing but a whore.

I'm sick and tired of fucking whores,

I'm trying sodomy with saws;  
Let's see how fucking hot she is  
With her arsehole ripped to bits.  
Straight up her arse goes my blade,  
Thrusting deeply  
Nothing but a whore  
Fucker

Disembowl her fucking body  
Make her feel it!

When I'm done with you  
You won't have a cunt left!
