World In My Eyes

Depeche Mode

Let me take you on a trip
Let me take you on a trip
Let me take you on a trip
Let me take you on a trip
Around the world and back
Let me take you on a trip
Around the world and back
Let me take you on a trip
Around the world and back
Let me take you on a trip
Around the world and back
And you won't have to move
And you won't have to move
And you won't have to move
And you won't have to move
And you won't have to move
You just sit still
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me take you on trip
Let me take you on trip, trip, trip, trip
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
