

# Loving Arms

## Etta James

If you could see me now;  
The one who said that she'd rather roam  
The one who said she'd rather be alone;  
If you could only see me now

If I could hold you now; Just for a moment  
If I could really make you mine  
Just for a while turn back the hands of time;  
If I could only hold you now

I've been too long in the wind; Too long in the rain  
Taking any comfort that I can  
Lookin' back and longin' for the freedom of my chains  
And lyin' in your loving arms again

If you could hear me now;  
Singin' somewhere through the lonely night  
Dreaming of the arms that held me tight;  
If you could only hear me now  
I can almost feel your loving arms again
