

Blood On My Hands

[Hans Zimmer & James Newton Howard](#)

Closed in around me
The walls are like enemies
Trying to trap me inside
You are the same with your devious inklings
Trying to take me for mine
Well I don't know what you want from me
I've given you everything
Even the air I breathe
And I don't know what you're trying to prove
I've got nothing left to lose
Either way
I know I'm only
Giving away the guilt in me
Giving away complicity
The feeling is surreal but the blood's still on my hands
Guilty I may be but you're the epitome
Blaming the world for your crimes

Soon comes the ending where I'll be left standing
Alone here to die
On my time
Well I don't know what you want from me
I've given you everything
Even the air I breathe
And I don't know what you're trying to prove
I've got nothing left to lose
Either way
I know I'm only
[chorus]I'll stay numb until the guilt is gone
When blood stained on my hands is fading
Fade...
[chorus]
