New Sensation

Wave

I can't fake it anymore
I'm tearing down these walls
Don't know why but it's more than a feelingI'm walking out the door
Ain't no sign at all
But I know that I'm not dreamingSomeday I'll be riding on a wave
Off the rails on this runaway train
I don't know what tomorrow brings
YeahChorus
I feel it coming, it's in the air
A new sensation from out of nowhere
I will take you there
oh whoa whoa ohI've got nothing left to hide
I've opened up my mind
And I'm ready for a new beginning
If there's another world outside
I wanna see it with my own eyes
Coz I'm tired of waitingSomeday I'll be riding on a wave
Of the rails of this runaway train
I don't know what tomorrow brings
YeahChorusSomeday I'l be riding on a wave
Of the ails of ths runaway train
I don't know what tomorrow brings
Yeah
