

New Sensation

Wave

I can't fake it anymore
I'm tearing down these walls
Don't know why but it's more than a feeling I'm walking out the door
Ain't no sign at all
But I know that I'm not dreaming Someday I'll be riding on a wave
Off the rails on this runaway train
I don't know what tomorrow brings
Yeah Chorus
I feel it coming, it's in the air
A new sensation from out of nowhere
I will take you there
oh whoa whoa oh I've got nothing left to hide
I've opened up my mind
And I'm ready for a new beginning
If there's another world outside
I wanna see it with my own eyes
Coz I'm tired of waiting Someday I'll be riding on a wave
Of the rails of this runaway train
I don't know what tomorrow brings
Yeah Chorus Someday I'll be riding on a wave
Of the ails of this runaway train
I don't know what tomorrow brings
Yeah
