## **New Sensation**

## Wave

I can't fake it anymore I'm tearing down these walls Don't know why but it's more than a feelingI'm walking out the door Ain't no sign at all But I know that I'm not dreamingSomeday I'll be riding on a wave Off the rails on this runaway train I don't know what tomorrow brings YeahChorus I feel it coming, it's in the air A new sensation from out of nowhere I will take you there oh whoa whoa ohI've got nothing left to hide I've opened up my mind And I'm ready for a new beginning If there's another world outside I wanna see it with my own eyes Coz I'm tired of waitingSomeday I'll be riding on a wave Of the rails of this runaway train I don't know what tomorrow brings YeahChorusSomeday I'l be riding on a wave Of the ails of ths runaway train I don't know what tomorrow brings Yeah
