

Suicide is painless (Blair Witch 2 OST)

Marilyn Manson

Through early morning fog I see
The visions of the things to be.
The pains that are withheld for me
I realize, and I can see...That suicide is painless
It brings on many changes
And I can take or leave it if I pleaseThe game of life is hard to play
I'm gonna lose it anyway
The losing card, I'll someday lay
So this is all I have to say
Suicide is painless
It brings on many changes
And I can take or leave it if I pleaseThe sword of time will pierce our skin
It doesn't hurt when it begins
But as it works its way on in
The pain grows stronger, watch it brim.Suicide is painless
It brings on many changes
And I can take or leave it if I pleaseA brave man once requested me
To answer questions that are key
"Is it to be, or not to be?"
And I replied, "why ask me?"
But suicide is painless
It brings on many changes
And I can take or leave it if I pleaseAnd you can do the same thing if you please
