

Mr. Gallo

Cat Power

Oh, Mr. Galo, what a good friend
He's always been a name (unverified)
Oh, Mr. Galo, what a good friend
Close by behind (unverified) Oh, Chan, what a woman you've become
Can't say I'd ever thought that he'd look you in the eyes
Oh, and what a lover you've become
Can't say that I always thought you were a liar Oh, you say, what a laugh you had
I cannot say I ever thought I would have had anything funny
Oh, and what a charmer you've become Mr. Galo (unverified)
Not full of hate
