

I'll Sweat You

Mista

Ah yeah
I'm really not used to this baby
In fact I don't even know what I was doing
I'll sweat you, check it out There you go you're haunting me
I need you now, no time to sleep
For you I'll go where no other man will go
I'll give you more than diamond rings
I'll give you all of me Baby, I'll sweat you
I'll sweat you
Baby, I'll sweat you
I'll sweat you I know you've heard all the lines
Like what's your name and what's you sign
That's why I'll put all my pride to the side
And do whatever it takes just to be with you Baby, I'll sweat you
I'll sweat you
Baby, I'll sweat you
I'll sweat you Baby, I'll sweat you
I'll sweat you
Baby, I'll sweat you
I'll sweat you Nothing worth having, ever comes easy
So I'll call you day and night, yeah
'Cause I know what you like, I'll be by your side
I'll follow where you lead Baby, I'll sweat you
I'll sweat you
Baby, I'll sweat you
I'll sweat you Baby, I'll sweat you
I'll sweat you
Baby, I'll sweat you
I'll sweat you Baby, I'll sweat you
I'll sweat you
Baby, baby, baby, baby
Baby, baby, baby, baby
Baby, I'll sweat you I'll sweat you
Baby, I'll sweat you
