Xanadu

Dannii Minogue

Come come here
Come come here
Come come here
A place where nobody dared to go
The love that we came to know they call it xanadu
And now open your eyes and see
What we have made is real we are in xanadu
A million lights are dancing and there you are a shooting star
An everlasting world and you're here with me etenaly
Xanadu xanadu
(We are here)
In xanadu
Xanadu xanadu
(We are here)
In xanadu
Xanadu your neon lights will shine for you xanadu
The love the echos of long ago
Need the world to know they are in xanadu
The dream that came through a million years
That lived on through all the tears it came to xanadu

A million lights are dancing and there you are a shooting star
An everlasting world and you're here with me etenaly
Xanadu xanadu
(We are here)
In xanadu
Xanadu xanadu
(We are here)
In xanadu we are in xanadu
Now that i'm here now that you're here (it's xanadu)
Now that i'm here now that you're here (it's xanadu)
Now that i'm here now that you're here (it's xanadu)
Now that i'm here now that you're here (it's xanadu)
Come come here
Now here I come
Come here
Now here I come
Ah Xanadu
Ah Xanadu

Ah Xanadu
