I Don't Have to Try

[Avril Lavigne](#)

I'm the one I'm the one who knows the dance
I'm the one I'm the one who's got the prance
I'm the one I'm the one who wears the pants
I wear the pantsI'm the one who tells you what to do
You're the one, you're the one if I let you
I'm the one I'm the one who wears the pants
I wear the pantsHey you, follow me
I'll take the lead, can't you see?
Don't you question me
You just do what I sayI don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm happenin'I don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm on the sceneI don't have to try
To make you realize
Anything I wanna do, anything I'm gonna do
Anything I wanna do, I do
And I don't have to tryDon't you disagree
'Cause you know it's all about me
Be at my beck and call
I'ma know it all and it's all your faultI don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm happenin'I don't care what you're saying
I don't care what you're thinking
I don't care about anything
Get ready, get ready 'cause I'm on the sceneI don't have to try
To make you realize
Anything I wanna do, anything I'm gonna do
Anything I wanna do, I do
And I don't have to tryTryI don't have to try
To make you realize
Anything I wanna do, anything I'm gonna do
Anything I wanna do, I do
And I don't have to try
