You're Everywhere

Blue Rodeo

Yeah, I gave you my heart and I gave you my soul
That's not enough, will you want more?
Like the writing on an ancient wall
You're a mystery that I'll never solveYeah, you're everywhere
Yeah, you're everywhere
Yeah, you're everywhere but you're just not there for me
For meWell, I've walked along the red canal of Mars
I've known kings and king makers, poets, painters and paupers
I've danced, danced on the rings of Saturn
Still your pilgrim soul is the only thing that ever matteredYeah, you're everywhere
Yeah, you're everywhere
Yeah, you're everywhere but you're just not there for me
For me, rock itYeah, this old world ain't always what it seems
Sometimes I feel I'm living in someone else's dream
There's a face I know that I've never seen
Still a hundred million miles ten thousand years
Ain't going to change a thingYeah, you're everywhere
Yeah, you're everywhere
Yeah, you're everywhere but you're just not there for me
For meYeah, you're everywhere but you're just not there for me
For me
Yeah, you're everywhere but you're just not there for me
