

You're Everywhere

Blue Rodeo

Yeah, I gave you my heart and I gave you my soul
That's not enough, will you want more?
Like the writing on an ancient wall
You're a mystery that I'll never solve Yeah, you're everywhere
Yeah, you're everywhere
Yeah, you're everywhere but you're just not there for me
For me Well, I've walked along the red canal of Mars
I've known kings and king makers, poets, painters and paupers
I've danced, danced on the rings of Saturn
Still your pilgrim soul is the only thing that ever mattered Yeah, you're everywhere
Yeah, you're everywhere
Yeah, you're everywhere but you're just not there for me
For me, rock it Yeah, this old world ain't always what it seems
Sometimes I feel I'm living in someone else's dream
There's a face I know that I've never seen
Still a hundred million miles ten thousand years
Ain't going to change a thing Yeah, you're everywhere
Yeah, you're everywhere
Yeah, you're everywhere but you're just not there for me
For me Yeah, you're everywhere but you're just not there for me
For me
Yeah, you're everywhere but you're just not there for me
