

Someday You're Gonna Love Me

Plain White T's

In my mind
You're all mine
I've loved you since the day we met
But I'll keep this
Love secret
You're just too young to understand
But don't worry
There's no hurry
You've got some catching up to do
So go be young
Go have fun
I'm fine just waiting here for you
It doesn't matter if you love me
I'm gonna love you anyway
It doesn't matter how you feel right now
Cause there's no doubt
Someday you're gonna love me
I'll pretend
To be friends
Until your heart is all mine
And when you see
Things clearly
You'll know I've loved you all this time
And I promise
Every kiss
Will be the sweetest of your life
And these two arms
Will keep you warm
And make sure you're safe and satisfied
It doesn't matter if you love me
I'm gonna love you anyway
It doesn't matter how you feel right now
Cause there's no doubt
Someday you're gonna love me
Matter if you love me
I'm gonna love you anyway
It doesn't matter how you feel right now
Cause there's no doubt
Someday you're gonna love me

Take your time
Take your time
I'll show you what love means
You never felt so free
I'll show you what love means
You never felt so free
I'll show you what love means
You never felt so free
You never felt so free
It doesn't matter if you love me
I'm gonna love you anyway
It doesn't matter how you feel right now
Cause there's no doubt
Someday you're gonna love me
Matter if you love me
I'm gonna love you anyway
It doesn't matter how you feel right now
Cause there's no doubt
Someday you're gonna love me
Nanana nanana nanana
(Someday you're gonna love me)
Nanana nanana nanana
(Someday you're gonna love me)
Nanana nanana nanana
(Someday you're gonna love me)
Nanana nanana nanana
(Someday you're gonna love me)
