Shawty Get Loose

Lil Mama

(Greatness + Greatness = Great Greatness)
Hey! Hey! Hey!
The way we get loose, we move our shoulders
Forwards, heads back
Get it in control like Janet Jack
Get it on the floor, let them know what?s happening
L.I.L. you better ask somebody
I been on my grind since butt touch potty
Y?all don?t really want it with the Yung God Toddla
With a flow so spec like technolotta
It?s so sick how the clock go tick
Keep giving y?all hits like teckmatic, uh!
That?s the reason why I spit it how I spit it
When I spit it?s like mucus, gotta get rid of it
These chicks don?t pop like me
Uncompatible girl, no comparing me
And ain?t none of y?all scaring me
Like don?t you wish your girl was as bad as me?
Yeah! With a flow so sick like Twista
So sweet, what could be cold like Mystic
Instincts come so smooth like what is it
BK-H-Dub ours like a wizard
(Shawty get loose)
Baby do what you do let me see you let down your hair
(Shawty get loose)
Hit the dance floor and act like there's nobody else in here
(Shawty get loose)
Krump! Clown! Break it on down baby do your thing
(Shawty get loose)
P-H-A-T, phat, baby I ain?t even know you can break it down like that
That, that, that, that-that-that, that, that
(Shawty get loose)
That, that, that, that-that-that, that, that
(Nappy boi!)
(Shawty get loose)
What it do do, tell it to the Pizzain
You already know, tell 'em I?m the mizzain
Shawty you ain't messin' with a lezzamz
I'ma have you loose on the floor you gon' be steppin' with a kizzain

I mindboggle models with a bottle of something good
I take 'em to the hood and have they ass going insane
A hard rap artist that hang with singers
So don't think this thing is hard ?cause homie it ain't
I'm loose loose you gotta be kidding me
You tellin' me shawty right here can take her hair down
And do it like you you
If all of this is true, you gotta show me
What you done told me, now do it, 5 4 3 2 2

You know Pain came to change the game
All the way from the same thing
It's some of that new new
Impress me, I want one person on this floor to try to test me
(Shawty get loose)
Baby do what you do let me see you let down your hair
(Shawty get loose)
Hit the dance floor and act like there?s nobody else in here
(Shawty get loose)
Krump! Clown! Break it on down baby do your thing
(Shawty get loose)
P-H-A-T, phat, baby I ain?t even know you can break it down like that
In the crib, in the club, on the block, it don't matter
(That, that, that, that-that-that, that, that)
I-i-it it don?t, i-i-it it don?t
(Shawty get loose)
In the crib, in the club, on the block, it don't matter
(That, that, that, that-that-that, that, that)
I-i-it it don?t, i-i-it it don?t
(Shawty get loose)
In the crib, in the club, on the block it don't matter
I spit stat, 4 5 6, a doo doo dada
How she d-d-do da like dat?
Got the hood on the back and the pockets is fat
Still rolling, rolling, left, right
Shot calling calling, that's right
Got my team on the market for millions we ?bout to pop it
Lock drop and roll like a hip hop rock show
You never know where my mind gon? go
N-n-not Puerto Rican but I like mangos
So smooth on the dance floor, so move on the dance floor
When you see me coming, I'm running it like a game show
You ain?t know? Lil Mama goes
She be burning and pumping to hit you with the bus flow
She's hot!

Get it loose on the floor and I cannot stop! What!
(Shawty get loose)
Baby do what you do let me see you let down your hair
(Shawty get loose)
Hit the dance floor and act like there?s nobody else in here
(Shawty get loose)
Krump! Clown! Break it on down baby do your thing
(Shawty get loose)
P-H-A-T, phat, baby I ain?t even know you can break it down like that
That, that, that, that-that-that, that, that
(Shawty get loose)
That, that, that, that-that-that, that, that
(Shawty get loose)
