

I Can't Stop Loving You

Frank Sinatra & Count Basie and His Orchestra

I can't stop loving you
So I've made up my mind
To live, live in memories
Of old lonesome time I can't stop wanting you
It useless to say
So I'll just live my life
I'll live it all in dreams of yesterday Those happy hours
That we once knew
Thought long ago
They make me so blue
They say the time
Heals a broken heart
But time has stood still
Since we been apart Ain't no use to try
To try to pretend
There someone new
I've been living a lie I can't stop wanting you
The way that I do
There's only been one love for me
That one love is you
There's only been one love for me
That one love is you
Hear me, baby, there's been only one love for me
That one love is you
